

# Swing for the Parks 2026

Join us for a Golf Scramble at Round Barn Golf Club, hosted by the Rochester Park and Recreation Department and volunteers! This year's fundraiser is also a **Goal-Match Campaign**. Our goal is to raise **\$10,000**, and if we reach that goal, it will be matched with another \$10,000, doubling the impact for improvements in our parks.

Bring together golf enthusiasts, local businesses, and community supporters for a fun day of golf while giving back to the community. Your participation helps create better parks and recreational spaces for families and children in Rochester.

Whether you are **registering a team, sponsoring a hole, donating a raffle item, or volunteering**, fill out the form below or stop by Round Barn Golf Club for a paper application.
